

POP STARS DEMI LOVATO AND NICK JONAS CELEBRATE DEMI'S NO. 1 SINGLE, "COOL FOR THE SUMMER" WITH DANIEL MARSHALL RED LABEL "24KT GOLDEN CIGARS"

Former Fellow Disney Stars Now Business Partners Celebrate Success With Cigars

Los Angeles, Calif. (July 13, 2015) - Congratulations to Demi Lovato who celebrated her No. 1 song, "Cool for the Summer" with the Daniel Marshall Red Label "24kt Golden Cigar", the World's Celebration Cigar, alongside her business partner Nick Jonas. Their commemoration further ensures the longevity of cigars in our culture. It supports the perception that cigars are "celebratory," are enjoyed now and will be enjoyed into the future, as Daniel Marshall says, around the "Modern Day Campfire."

Since Lovato's "Cool For The Summer" premiered earlier last week, she has been hosting launch parties across the country, including Chicago where she met up with her business partner, Jonas for a celebratory bash complete with The Golden Cigar. The duo recently founded a record label together, Safehouse Records, in May 2015.

Their celebration with Daniel Marshall Red Label Golden Cigars is a great nod to the cigar industry as a whole. Lovato cited cigars as being "sexy," and her top of the charts #1 summer song is certainly something to be celebrated. We are elated to see cigars are here to stay, with the next generation continuing to carry the torch for the "Modern Day Campfire."
